### Limitations:

Initial inspection on the production site has been carried out by DNV Czech Republic, s.r.o., ref. Assessment Report no. A1426688 dated 2023-10-10

Certificate No.: C645923  
Place and date: Vimercate 04 November, 2023  
Revision No.: 00

## Terms and conditions for the certificate

- in case of damages caused by defective products, Council Directive 85/374/EC, as amended, will apply;
- the system approval is valid only for the material types listed above. For other material types, an application for extension of the certificate must be sent to DNV Czech Republic, s.r.o.;
- periodical audits and unexpected visits will be held, in order to verify that the manufacturer duly fulfils the obligations arising out of the approved quality system;
- the manufacturer shall fulfil the obligations arising out of the quality system as approved and uphold it so that it remains adequate and efficient;
- the manufacturer must give information of any intended adjustments of the Quality System to DNV Czech Republic s.ro., who will assess the changes and decide if the Statement remains valid;
- the manufacturer shall inform DNV Czech Republic s.ro. of the intended schedule of production for materials.

## The following may render this certificate invalid:

- changes in the quality system affecting production;
- periodical audits not held within the allowed time window.
